

TWC-IMS-POL-003 Environmental & Sustainability Policy

Two Way Cranes Pty Ltd is committed to minimising its impact on the environment in all activities it performs. With a growing concern for its impact on the environment Two Way Cranes Pty Ltd has implemented a systematic approach to controlling its environmental “footprint”. Resources in line with the importance attached to our environment will be made available to comply with all relevant Acts and Regulations and to ensure that the workplace is safe and without risks to health. Two Way Cranes Pty Ltd will ensure that it minimises its impact on the environment through effective assessment and control of environmental risks.

This policy applies to all workers, who are employed under any capacity, by Two Way Cranes Pty Ltd. It extends to all workers who perform work for, with, or on behalf of the company. The scope extends to all sites, locations or places of directed work for Two Way Cranes Pty Ltd.

Two Way Cranes Pty Ltd is dedicated to ensuring that the sustainability and protection of the environment is a consideration in all of its activities. In pursuit of its environmental policy, Two Way Cranes Pty Ltd will:

- Promote sustainability and environmental awareness and responsibility among all workers;
- Identify, monitor and report on its community, legal and ethical environmental obligations;
- Strive for environmental and sustainable best practice;
- Develop a balanced approach designed to meet the legal obligations of the company and its associated activities.
- Handle, store and dispose of hazardous and waste products in accordance with EPA regulations and applicable SDS.
- Maintain and housekeep material storage areas to a high standard.
- Communicate regularly and openly on the nature of our activities and reporting progress on environmental protection performance to workers and customers.
- Commit to implementing proactive measures and best practices to prevent pollution, minimising the environmental impact of our operations, and promoting sustainability.

Two Way Cranes Pty Ltd aim to achieve the following environmental objectives:

- Maintain current electricity consumption levels at the office and onsite;
- Reduce environmental foot print on sites and office/yard.

The Environmental & Sustainability Policy shall be communicated to all workers by:

- Displaying copies on notice boards etc;
- Including the policy in inductions for workers;
- Made available as documented information to all parties.

This policy is approved for use by:

Francis Zammit
